It looks good to me Rick. The only thing I changed is Kate's name in the signature block. I understand she likes to sign documents as "Catharine".

Final draft letter to Chemours.

I'd like another set of eyes to go over this letter one last time before I send it up through the "heads-up" chain, including whatever Joan Schaffer needs to do with it. I'll copy Jenny Wilson and her boss, too, so they can do the same thing with it.

Let me know if you find any typos or think it should be modified in any way based on yesterday's call with Chemours.

Thanks,

Rick
